

**IIMT-BBSR: -17/9/2025:** Interscience Institute of Management & Technology (IIMT), Bhubaneswar, proudly observed the birthday of Hon'ble Prime Minister Shri Narendra Modi Ji by taking part in the national mission "Ek Ped Maa Ke Naam." This initiative is aimed at promoting environmental conservation and strengthening the sustainability of nature.

As part of this mission, Shri Nigamananda Mishra, Deputy General Manager (DGM), GAIL (India) Pvt. Limited, graciously presented 200 saplings to IIMT. These saplings were planted across the campus in a special plantation drive, symbolizing a collective step towards creating a greener future. The programme was led by Dr. Srikanta

Patnaik, Chairman, IIMT, Bhubaneswar, and Prof. (Dr.) Jayadev Kar, Director, IIMT, Bhubaneswar. Faculty members, staff, and students participated with great enthusiasm, reflecting their deep commitment to the cause.

On this occasion, the IIMT family also took an oath to actively support and contribute to the mission, pledging to transform the campus into a space of greenery and serenity.

Through this meaningful step, IIMT once again reaffirms its dedication to sustainability, environmental protection, and alignment with the vision of our Hon'ble Prime Minister to build a healthier and greener nation.
