ABOUT IIMT

IIMT was established in 2007 by a team of dedicated academicians with the motto of imparting holistic education in the field of management to the students. This temple of learning takes the pledge to manifest greater heights in the sphere of business education & entrepreneurship.

IMPORTANT ACHIEVEMENTS

UNESCO UniTwin Institute

IIMT is a UNESCO UniTwin institute for the UNESCO chairs program Prof. Francesco Vigliarolo, National university of La Plata, Argentina on economic system & Human Rights.

Scholarship & Awards

IIMT Bhubaneswar has instituted Endowments & Awards to support bright students which is sponsored by various eminent & generous personalities in the fields of Computer Science & Management

Link: <https://iimt.ac.in/awards.php>

IRNet

The Interscience Research Network is a body to promote interdisciplinary research among professional, scholars and researchers. IRNet organizes various workshops, seminars and conferences on various subjects time to time throughout the year. This gives opportunities to researchers to discuss their research topics at the conference on a global platform.

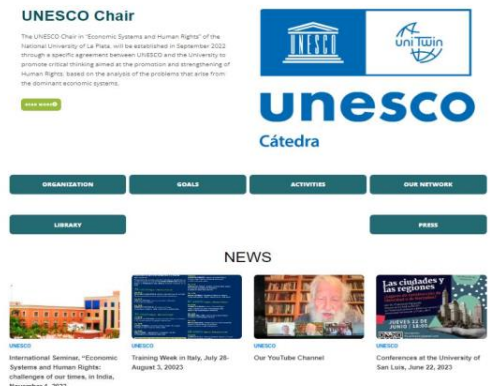

IIMT Lecture Notes

IIMT organizes expert lectures on various management topics round the year and publish the talks in the form of the book under the book series "IIMT LECTURE NOTES ON MANAGEMENT". Experts across the globe are invited to deliver talks on various recent trends in Business, Management, and Commerce. For the last two years, IIMT has brought out two volumes on "Self-Management" & "Evolving Career in Management" which are must-to-read for all the management students

IIMT Publication

IMR is the flagship journal of IIMT addressing the broad area of management science and its applications in industry and business. IMR invites professionals, academicians and policymakers to contribute to disseminate knowledge through their research articles and to learn from each other's work. IIMT is well known among the institutions in Odisha and outside for regularly organizing international conferences. Each year, we invite eminent speakers across the globe to deliver Talks and Keynote addresses on various trends and developments of management. It is noteworthy to mention that the presentations and the talks are being published in the Springer book series which is also available on [amazon.in](https://www.amazon.in)

Prof. Jesus Garcia De Madariaga

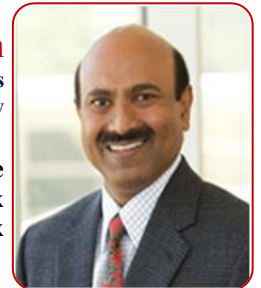

Faculty of Economics and Business Sciences Complutense University of Madrid (Spain)

“IIMT is an internationally recognized institution with expansive global networks, offering transformative experiences. My visit to IIMT in October, including delivering a keynote, was exceptional. The modern facilities, comprehensive curriculum, and talented students impressed me greatly. Special thanks to Professor Srikanta Patnaik for his profound friendship.”

Prof. Vijayan Sugumaran

Department of Decision and Information Sciences
School of Business Administration, Oakland University

“IIMT excels in academic excellence, organizing highly rated conferences with reputed publishers like IEEE and Springer, and fostering a collaborative learning environment. Their global research network and state-of-the-art facilities create a dynamic atmosphere for students. Kudos to Professor Srikant Patnaik and the entire IIMT team for their impressive work.”

Prof. Dr. Vipul Jain

Operations and Supply Chain Management Victoria Business School,
Victoria University of Wellington, New Zealand

“My time as a visiting professor at IIMT was enriching, witnessing student's eagerness to learn about global markets and their complexities. IIMT's commitment to international collaboration allowed me to share and gain expertise. The institute fosters innovation, entrepreneurship, and strategic thinking, making it an ideal place for students to succeed globally.”

Shri Jagadananda

Mentor and Co-Founder of Centre for Youth and Social Development (CYSD)
Bhubaneswar

“The amount of quality work being done by IIMT in the field of academic & research is commendable. I congratulate Prof. Dr. Srikanta Pattanaik for his perseverance towards development of the society.”

OUR PLACEMENT ACTIVITIES

IIMT's Placement Cell is proactive in identifying job opportunities for our students by maintaining strong relationships with reputed firms. The Placement Cell functions throughout the year to facilitate interactions between companies and our students. Each year, we invite HR Managers from various companies to participate in our HR Meet and conduct training programs for our students. These opportunities allow our students to understand the practical aspects of their learning and apply them in real-world scenarios. Many industries respond to our invitations by visiting the institute to conduct interviews. Our alumni have set benchmarks in the corporate world through their contributions, and we are committed to continuing that legacy in the years to come.

In addition to placement activities, the Placement Cell organizes career guidance and personal counseling programs for all students from the beginning of their first year. Various lab activities, such as the Corporate Readiness Lab and the Business Communication Lab, are conducted to prepare students for interviews, group discussions, and competitive exams. Furthermore, IIMT offers a range of internship programs at both government and private institutions to enhance the skill sets of our students. These internships provide invaluable hands-on experience, allowing students to apply their academic knowledge in practical settings, thereby bridging the gap between theory and practice. We are proud to announce that in the last academic session, 90% of our students were placed in various esteemed firms, demonstrating the effectiveness of our placement and training programs. IIMT holds long-term institutional memberships in the National Human Resources Development Network (NHRDN) and the Indian Society for Training & Development (ISTD) to support these
